# OUR VISION AND MISSION

## VISION

Our vision is to move beyond the meeting room. We believe that the best ideas happen when people are inspired by their surroundings.

By integrating Albania's rich culture, gastronomy, and nature into every corporate event, we create meaningful experiences that leave a lasting impact on every participant

## MISSION

At Nea Travel DMC, we are here to make every project smooth, personal, and truly memorable—where business naturally meets inspiration.

## Why Choose Albania for Your MICE Travel

Albania is one of Europe's most promising emerging destinations for MICE—offering a rare balance of authenticity, flexibility, and cost-efficiency.

From modern conference venues in Tirana to exclusive experiences in the UNESCO city of Berat, and from the crystal-clear Albanian Riviera to the wild beauty of Theth, every program becomes dynamic, diverse, and unforgettable.

With competitive pricing, personalized services, and a destination that still feels undiscovered, Albania allows you to deliver high-impact events while optimizing your budget.

This is where business meets experience.  
This is where events become stories.

Choose Albania. Create experiences that stand out.
